Polished Finish and Leathered Finish  
Granite Slabs

## BLACK

Our Black Collection reflects timeless elegance and strength. With deep shades and natural sheen, black granite adds a touch of luxury and sophistication to any space. Durable and versatile, it's ideal for flooring, countertops, and wall cladding.

## BROWN

Earthy and warm, the Brown Collection reflects natural charm and richness. A perfect choice for interiors and exteriors, it brings a welcoming and elegant appeal.

## MULTI

Vibrant and unique, the Multi Colour Collection showcases striking patterns and shades. Each slab is a statement piece, perfect for decorative and premium spaces.

A close-up view of Zebra granite, showing a complex, wavy pattern of dark, charcoal-colored veins and bands intermingled with lighter, creamy white and silver tones. The overall effect is reminiscent of a woodgrain or a zebra's stripes, but with a more organic, flowing quality.

## BLACK WAVE

A dramatic black granite defined by bold, flowing waves of creamy white and silver. Its intense, woodgrain-like pattern creates a powerful sense of motion and sophisticated, natural artistry. Ideal for creating stunning statement islands, feature walls, and luxurious countertops that serve as a captivating focal point in any design.

A large, dark, charcoal-colored granite surface with a subtle, swirling pattern of lighter, star-like flecks and veins. The overall appearance is reminiscent of a night sky or a cosmic scene.

# BLACK

## COSMIC BLACK

Capture the elegance of the night sky with this deep charcoal granite. Its surface features subtle, galactic swirls and a delicate scattering of star-like silver and white mineral flecks across a dark cosmic canvas. This durable and sophisticated stone is an ideal choice for creating timeless countertops, vanities, and flooring.

A close-up view of Galaxy granite, showing a dark, charcoal-colored base with a complex, swirling pattern of lighter, star-like flecks and veins. The overall effect is reminiscent of a galaxy or a cosmic scene.

## SAHARA GOLD

Sweeping dunes of brilliant gold and warm amber surge across a deep black landscape in this luxurious granite. Its bold, flowing pattern brings a powerful sense of warmth and dynamic energy, making it an ideal choice for creating stunning countertops and statement islands with a touch of natural opulence.

# BROWN

## TROPIC BROWN

A classic granite featuring a rich blend of coffee and chocolate brown tones, woven with black minerals in a strong, linear pattern. Its consistent flow offers a warm and elegant surface that is both durable and forgiving, making it an excellent and timeless choice for kitchen countertops, vanities, and flooring.

## OBSIDIAN FLAME

Rivers of fiery red and burnt orange blaze across a deep, obsidian-black bedrock in this dramatic granite. Its intense, flame-like movement creates a powerful and sophisticated focal point, perfect for show-stopping islands and feature walls that ignite a space with natural, volcanic artistry.

# ALASKAN WHITE

BEST SELLER

A luminous landscape of bright white and cool grey, fractured by sharp veins of deep black and warmed by subtle touches of golden beige. This intricate granite offers stunning visual depth and natural artistry, making it a luxurious choice for brightening kitchen countertops, statement islands, and elegant backsplashes.

## PY WHITE

A timeless classic, this granite features a uniform blend of onyx black and soft grey speckles scattered across a bright white background. Its consistent "salt and pepper" pattern provides a clean, versatile, and elegant surface that effortlessly complements any design, from traditional to modern. An exceptionally durable and popular choice.

## TYPHOON GOLD

A luxurious and serene granite featuring soft, swirling waves of golden-brown and earthy olive green flowing across a creamy white landscape. Its gentle, watercolor-like pattern creates a sense of natural, artistic movement, perfect for elegant kitchen islands, vanities, and feature walls that evoke a calm and sophisticated atmosphere.

# BRIGHT

## SILVER CANYON

Defined by its distinct horizontal layers of cool whites and soft greys. Evokes the serene elegance of natural stone cliffs and ancient canyons. Ideal for creating timeless and sophisticated feature walls, flooring, and vanities.

## ANCIENT ROSE

Features fractured mosaics of rose, terracotta, and earthy grey tones, creating the raw and powerful landscape of an ancient cliff face. A truly bold choice for unforgettable and rustic statement feature walls

## FANTASY BROWN

Sweeping waves of rich cocoa, warm taupe, and creamy alabaster flow together in this dynamic masterpiece of natural stone.

## OUR UNIQUES

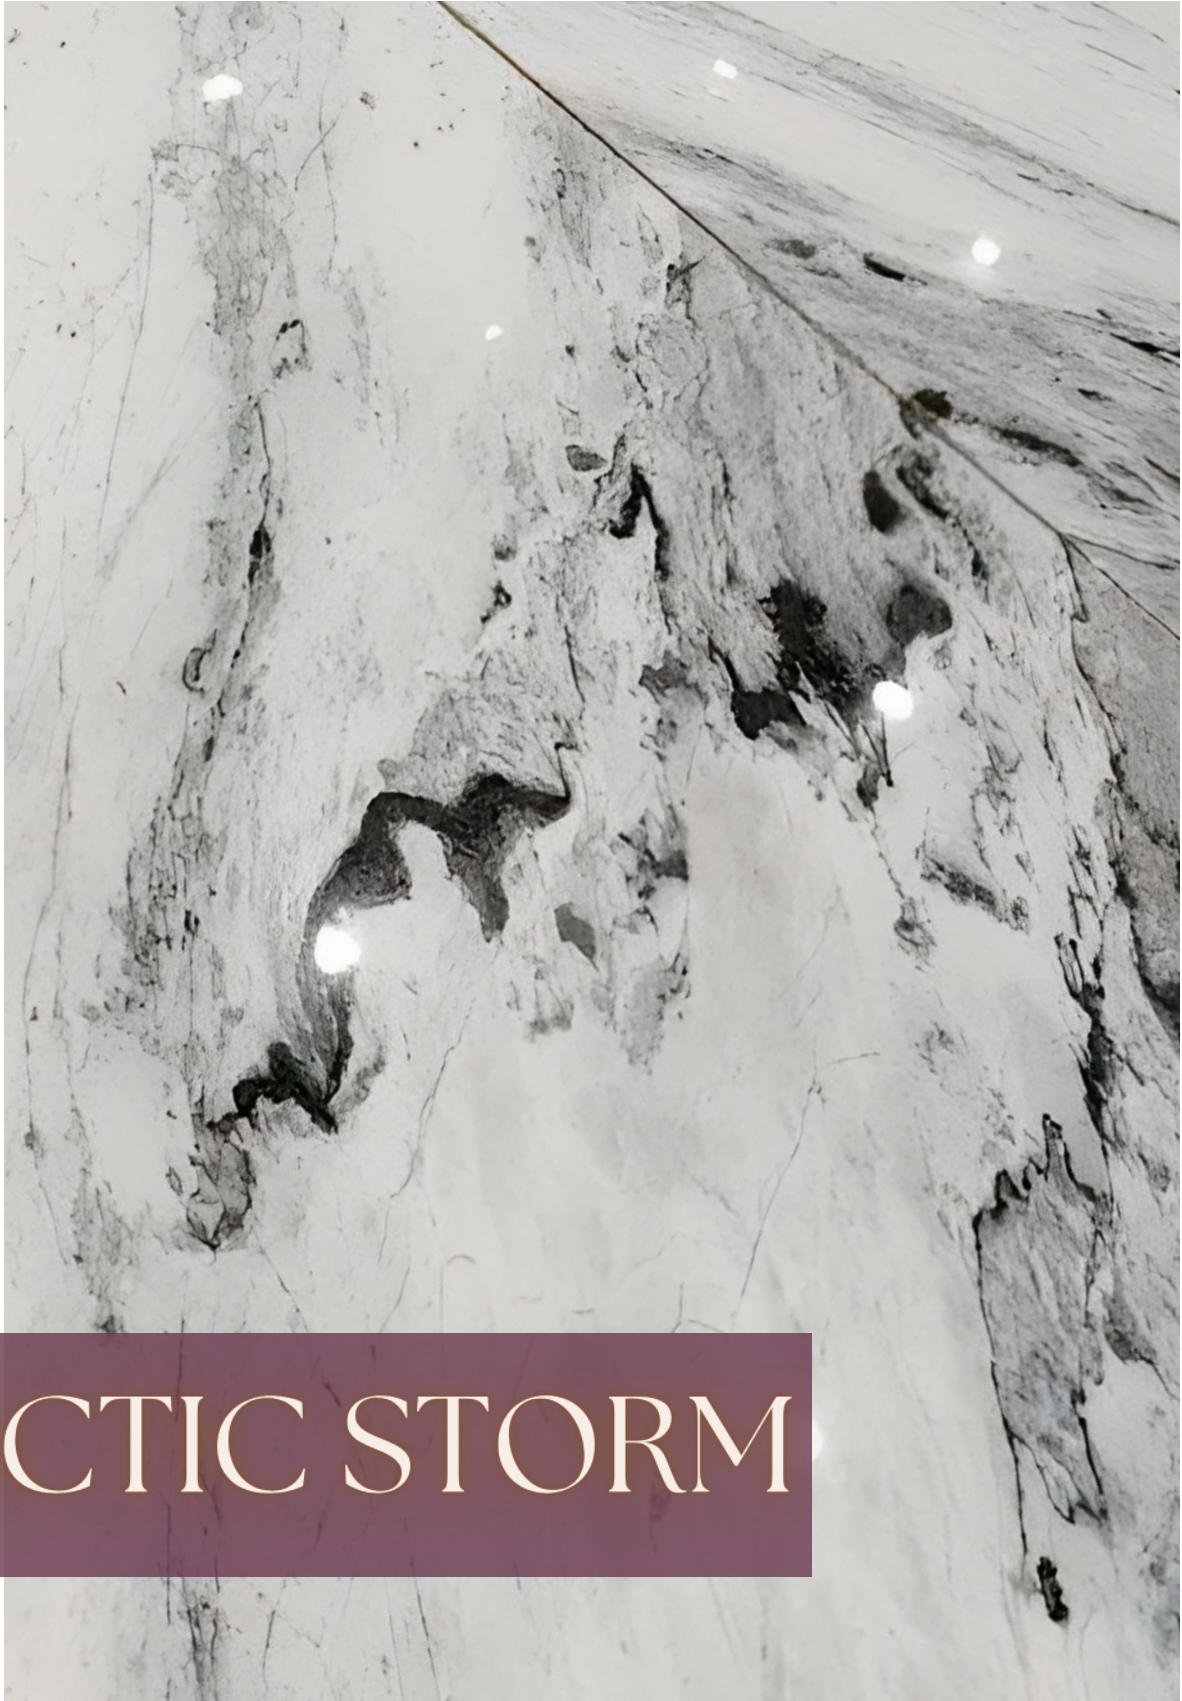

## TIGER BROWN

Powerful waves of rich, reddish-brown and deep black mimic a tiger's stripes in this bold granite. An exotic and confident choice for creating unforgettable statement islands and feature walls.

## SILKY BROWN

# ARCTIC STORM

A vision of pure elegance, this luxurious stone features a crisp white canvas adorned with soft, smoky wisps of charcoal grey and bold, flowing veins of inky black. Its fluid, artistic movement mimics the delicate strokes of an ink wash painting, creating a timeless statement of sophistication. It is an impeccable choice for creating breathtaking book-matched feature walls, waterfall islands, and opulent bathroom designs.

# OUR BESTS

Our two most celebrated and sought-after natural stones, each a breathtaking masterpiece of the earth. These materials represent the pinnacle of natural luxury, showcasing dramatic movement, rich and complex color palettes, and a bold character that ensures every installation is a unique work of art. From the opulent, sun-drenched warmth of our golden granites to the vibrant, kaleidoscopic wonder of our multi-colored exotics, these stones are the definitive choice for the discerning client. They are selected to create unforgettable, one-of-a-kind focal points that transform a space into a powerful statement of elegance and individuality.
